### **RICHMARK COMPANIES**

Adam Frazier, Vice President of Development for Richmark Companies, explained that Richmark is a family-owned company based in Greeley Colorado. Their company has developed many properties that include a Doubletree Hotel in Greeley, The Exchange in Fort Collins, and Six Canyon Apartments in Glenwood Springs.

Richmark Companies is under contract to purchase the old City Market site at 200 Rood Avenue and the parking lot adjacent to the site. Their vision is to develop apartment buildings and create a fun and inviting place for the community to enjoy and provide individuals a comfortable place to live at a cost less than owning a house. Two preliminary concepts were presented:

- Option A - Four story building with 200 units to include studio, one-bedroom, and two-bedroom apartments. This option would allow future development opportunities for an event space, a brewery, or retail utilizing the large parking lot South of the City Market parking lot West of the building.
- Option B – Includes 256 units with 50% studios, 26% one-bedrooms, and 23% two-bedroom apartments. A portion of the parcel next to Two Rivers Convention Center would be available for future development. The idea would be to have a food truck court, hardscaping and softscape, and provide park benches, tables, etc. to help draw people downtown.

Mr. Frazier provided a breakdown of the economic impacts the housing development would provide to the community.

The next steps include further discussion of the project details with Brandon, the Real Estate Subcommittee, and Carolynne White to establish a partnership between the Downtown Development Authority and the City of Grand Junction.

### **CITY HOUSING STUDY UPDATE**

Community Development Director Tamra Allen gave a brief update on the City Housing Study.

Topics presented included population growth, income and poverty, housing stock, housing inventory, home-price trends, rental price trends, impacts of rising prices, Gap analysis, and housing challenges.

Tamra explained that the City of Grand Junction is moving into the Strategy phase. The first phase was to gather data and understand what is happening in the housing market. The second phase was what to

do and what we want to do about it. City staff has met with City Council for initial direction. A meeting is scheduled with City Council in August to discuss creating policies regarding housing and to help provide housing in the community.

#### **LOWELL SCHOOL CONVEYANCE**

The Real Estate Subcommittee recently sent a request to Jeremy Nelson to provide information of four items in the term sheet. The subcommittee was prepared to make a recommendation to the Board for conveyance of the Lowell School property; however, the items were not provided. The items would provide some assurances that if the Downtown Development Authority conveyed the project, the project would move forward. There will be further discussion regarding the conveyance at a future meeting.
